

At Belardinelli Tire we are concerned about your health as well as our employees and we wanted you to know what actions we have taken to minimize the risk of illness.

- Employees have been educated on proper etiquette regarding coughing, sneezing and frequent hand washing
- Employees wear gloves while in and working on your vehicle
- Hand sanitizer has been placed at our coffee station for use before touching items there
- Surfaces are sanitized on a nightly basis
- We are monitoring the CDC website for additional information
